# Back to in-person events

Our first two in person events since February 2020 were a great success! Over 170 guests registered to hear **Mayor Francis Suarez's vision for Miami.**

We also welcomed the **President of the Banco Central** at a sold-out event.

## About

Milo Credit is a fintech born out of the simple belief that everyone should have access to great amazing products. As foreigners in the US, we knew that was not the case. We felt that we were being left behind in the financial revolution. Banks had neglected us, lenders avoided us, and others just wasted our time. This frustration led to action and compelled us to create a company with global consumers unique situations at its core.

THE CAP GROUP

---

# Construction & Real Estate

THE CAP GROUP is a construction company with certified General Contractors and a Certified Real Estate Brokerage with a business brokerage division. The Cap Group is a family-owned business with a team of associates.

The construction division is focused on renovation, remodeling, new construction, project management and construction consulting for both residential and commercial properties. Our team is here to help with everything from the beginning to end of any project.

No job is too big or too small for us.

The real estate brokerage side covers commercial and residential real estate with complete assistance for buyers, sellers, landlords and renters. The business brokerage division assist investors in their search of businesses looking for special Visas.

# COMPLIANCE PROGRAM BENEFITS

## CULTURE OF COMPLIANCE

## RISK AVOIDANCE

## COST AVOIDANCE

Small and medium sized businesses are big companies' third parties

Third parties represent a risk to the companies

DOJ has been demonstrating heightened focus on third-party risk

Large companies cannot hire third parties that don't fulfill certain requirements
